WORK EXPERIENCE

Franklin Sports | Social Media Analyst Intern | AUG 2019 - DEC 2019

I worked on the Franklin Sports social media team developing weekly insight reports for their Instagram and Twitter channels. Using social listening programs such as Talkwalker, I analyzed data gathered from social media listening platforms to draft statistical narratives that were presented to Franklin Sports social media managers.

Aflac | Sales and Marketing Intern | MAY 2019 - AUG 2019

Tracked social media insights and used them to develop reports to work toward creating new public relations strategies. Managed the Capitol Regions Facebook page and created branded content. Met with prospective clients, helped file policies, and continued to manage meaningful relationships with clients.

T-Mobile | Media Expert/Retail Sales Associate | AUG 2017 - JAN 2019

Operated register for cash and credit card transactions. Understood customers wants and needs to provide them with the appropriate products and services. Troubleshooted and educated customers about products and services.

Top Runner Marketing | Social Media Specialist | MAR 2016 - AUG 2018

Managed social channels and created content for clients. Provided social media insight and developed content strategies and media planning. Also served as an in-house graphic designer, creating content for the agency.
